The stories inside each gift

Coffee, Tea & Cacao

Coffee: hand-picked and hand-roasted by a couple who have been roasting coffee at home for more than 20 years. Each small batch is crafted slowly, with care you can taste: rich, smooth, and full of warmth.

Teas: Despierta Té (Wake Up tea) blends black tea with warming spices, brightened by floral jasmine and bougainvillea. Para Dormir (Sleepy tea) combines chamomile, lavender, passionflower, spearmint, and valerian root: perfect for calm, restful evenings.

Cacao: Criollo beans from Teapa, Tabasco, one of the rarest and most prized cacao varieties in the world. Low acidity, low bitterness, delicate citrus notes. Shade-grown in traditional agroforestry plots without synthetic chemicals, then blended with allspice and chile piquín for warmth, or with adaptogenic mushrooms for balance.

Jams, Honey & Salsas

A taste of Mexico, handmade in small batches from local farms and abuela's recipes. Our honey is a collaboration with a local vet who rescues bees from urban environments by relocating them to her ranch.

The stories inside each gift

Body Products

Pillow Mist, Lavanda: a moment of calm, bottled. Infused with pure lavender oil, it invites serenity when nerves run high, helping guests unwind, sleep well, and wake refreshed.

Shampoo and Conditioner: bars crafted from cold-pressed oils that gently cleanse, nourish, and hydrate, leaving hair soft and cared for.

Everywhere Body Butter: a deeply nourishing butter that softens and restores skin with rich, natural oils.

Body Scrub: an exfoliating blend of salts, clays, and botanicals that smooths, renews, and refreshes.

Facial Cleansers: natural, small-batch activated carbon and tepezcohuite bars, perfect for travel. Clean, sustainable care made with high-quality oils.

Jewelry

Preserved real Mexican flowers encased in fine silver, and feather-light macramé earrings: both perfect for VIP guests.

Meet Our Artisans 1 OF 3

Ara crafts natural products that blend wellness, spirituality, and intention: ritual aromatherapy and personal care made with pure oils, often paired with affirmations and rituals. Her philosophy mirrors ours: everyday routines turned into meaningful, nourishing rituals that uplift body and soul.

Thomas and Yolanda. In 1993, Thomas stumbled upon a 5-kilo coffee roaster that would change his life. It brewed more than coffee; it sparked a lifetime of love and adventure with Yolanda, whom he met while she worked for an airline. Thirty years on, they roast exceptional coffee at home for locals and the many visitors of Vallarta. With every sip, you are sharing in a love story that has been brewing for decades.

Eduardo, born in Mexico City, grew a love for jams and sauces rooted in his family's culinary traditions. A hobby became a full-time artisanal pursuit in Puerto Vallarta, with the support of his partner Emmanuel. Using traditional Mexican recipes and the freshest local ingredients, Eduardo handcrafts each batch of preserves, supporting local farmers along the way. His dream: to make his creations symbols of Vallarta's vibrant food scene.

Meet Our Artisans 2 OF 3

Talit, a veterinarian with a passion for bees, is the heart behind our honey. She rescues and relocates colonies from unsafe urban areas around Bahía de Banderas: schools, homes, and public buildings where these vital pollinators are at risk. She also works with remote farmers in Jalisco, helping them care for their bees and reach new markets. Every jar protects these essential creatures and the countless crops they pollinate.

Yaneli blends her passion for herbal medicine with botany specialists to create science-backed infusions. Each blend has a purpose, from easing anxiety to improving sleep, using mint, lavender, chamomile, and other therapeutic herbs harvested outside Morelia, Michoacán.

Orlando and his partner Christian began crafting cleansing bars during the pandemic as a way to find balance and creativity. Orlando trained in professional bar-making; Christian's healthcare background keeps the focus on skin health. Their dream is to share their handcrafted, premium cleansing bars with all of Mexico.

Jacky, an artisan and engineer from Puerto Vallarta, discovered flower preservation during a botany class in her environmental engineering studies. She encapsulates petals in mid-bloom, as if frozen in time. Her favorite piece is the ethereal orchid: a symbol of life's small pleasures and beauty.

Meet Our Artisans 3 OF 3

Morgan, originally from Kingston, Ontario and long at home in Puerto Vallarta, hand-weaves each pair of earrings from soft cotton cords and natural fibers: feather-light, colorful, and full of movement. For Morgan, creating is both therapy and art; every piece carries her intention to share joy, confidence, and calm.

Eduardo (Cacao), alongside his wife Laura, founded Raíces Chocolatería, crafting small-batch cacao drinks from Criollo beans grown in Teapa, Tabasco, tended by producers like Miguel Ángel Moreno Fuentes. The plots are shade-grown agroforestry, mimicking the rainforest canopy and protecting soil and wildlife without synthetic chemicals. Inspired by Mayan heritage, their blends honor cacao as a divine elixir. Each sip is an invitation to pause, savor, and reconnect with joy.

Luis, an artist from Mexico City now based in Puerto Vallarta, casts his turtles in gypsum and resin and paints them dot by dot to embody fortune, longevity, and wisdom. Each turtle is a meditative act of care: positive energy and a reminder of life's quiet strength.

Miren creates body care rooted in ancestral plant wisdom and modern herbalism. Her Everywhere Body Butter is more than skincare: a ritual of nourishment and pause, guided by purity of ingredients and sustainability, honoring the land and life's petit joys.

RECOGNITION & EDITORIAL FEATURES

A sense of place, recognized

"We have never seen a more tasteful (and tasty) collection of artisanal products than those offered by Petit Joys."

WILLIAM TOMICKI • EDITOR, ENTRÉE MAGAZINE

Petit Joys was awarded Entrée's rare Gold E Award of Excellence, a distinction reserved for experiences that demonstrate outstanding charm, craftsmanship, and a genuine sense of place. Entrée, described by Vogue as "the Rolls-Royce of travel newsletters," has guided sophisticated travelers since 1981.

Our icon draws inspiration from the concept of a glimmer: the true opposite of a trigger. Glimmers are micro-moments that ignite joy, calm, gratitude, or connection. Each Petit Joys product is a gentle nudge to savor these moments.

*Joy, presence, artistry,
remembered in the details of every stay.*
