# Petit Joys

REAL ESTATE • 2026

*The gift they remember, the realtor  
they recommend.*

*"We have never seen a more tasteful (and tasty) collection of artisanal products than  
those offered by Petit Joys."*

WILLIAM TOMICKI • EDITOR, ENTRÉE MAGAZINE

# *Curating small pleasures*

*a way to appreciate artisans, express gratitude, and savor  
the everyday*

At Petit Joys, we believe in celebrating mindfulness and finding happiness in life's simplest moments. We feature collaborations with skilled Mexican artisans, handmade using premium materials to honor their dedication to quality and craftsmanship.

*A closing is a milestone. The gift should feel like one.*

Thoughtful gifting → Stronger relationships

Referrals and repeat clients → Long-term business value

# Why Thoughtful Gifts Matter in Business

Strengthen client relationships while creating repeated brand exposure

## Create memorability without excess

## Stand out without promotional clutter

Petit Joys was created for this exact purpose, helping companies express appreciation in a way that feels human, considered, and memorable.

# Petit Joys: visibility and brand exposure

*Soft, organic exposure in real contexts, not advertising placements.*

## 1 Your firm featured on our website

Realtor partners receive a dedicated profile on [petitjoys.com](https://petitjoys.com), positioned inside our curated partner ecosystem, not a public directory. It includes a short bio, your focus areas, and clear contact details, plus optional Spotlight Q&A features that highlight your approach and build long-term discoverability.

## 2 Exposure through high-end vacation rentals

Petit Joys is experienced by thousands of guests staying in premium vacation rentals across the Bay of Banderas. Many are long-stay visitors, snowbirds, and people exploring the region with future lifestyle or property decisions in mind. When they discover Petit Joys, they also discover the trusted local partners we recommend.

## 3 Destination wedding community reach

Petit Joys collaborates with a curated group of destination wedding planners and event partners. Realtor partners gain visibility alongside trusted planners, reaching couples, families, and returning visitors who often explore longer-term stays, relocation, or second-home opportunities.

*"Whether you gift with us or not, let it be thoughtful. The world doesn't need more stuff; it needs more meaning. Together we can make a difference in the lives of many."*

**KHALED BAKLEH • FOUNDER**

## Visibility that keeps working

### 4 Live and ongoing public visibility

Petit Joys maintains paid sponsorships at Coco Cabaret and Palm Cabaret, two of Puerto Vallarta's most established live entertainment venues. With approximately 3 shows per night per venue and 50 to 70 attendees per show, this represents thousands of brand impressions across both venues, and steady awareness among visitors actively engaging with Vallarta's lifestyle.

### 5 Boutique hotel, retail, and consignment discovery

As Petit Joys expands through boutique hotels and select retail and consignment partners in Puerto Vallarta and beyond, more people encounter the brand in person and then visit our website to learn the stories behind each gift. That traffic also flows into our partner pages, including your real estate profile.

### 6 Collaboration opportunities

We can collaborate on social media in a way that feels natural and local: tag us to reach our community, or we can feature you in dedicated spotlights on the Petit Notes section of our website as an ambassador supporting local artisans.

Realtor partners benefit from sustained, real-world visibility within the same environments where relationships, referrals, and future decisions are formed.

*Petit Joys: partner, not vendor*

## WHY A PETIT JOYS CLOSING GIFT WORKS

### *Six reasons clients remember it*

#### Remembered long after closing

Unlike wine or a gift card, artisan goods live in the home. Every morning the client makes coffee, every time they open the honey, they remember you.

#### Rooted in the destination

Handmade in Puerto Vallarta by real artisans. It honors the place your client chose to invest in, and reflects the integrity of your relationship.

#### A gift with a story

Every item comes with the artisan's story, turning a simple closing gift into a conversation piece and a memory tied to Puerto Vallarta.

#### Partner, not vendor

We handle packaging, coordination, and delivery. You focus on the relationship; we make the gift effortless and extraordinary.

#### TSA-friendly and travel-ready

All products are carry-on friendly: compact, sealed, and made to travel home safely.

#### Sustainable and ethical

Small-batch production, natural ingredients, and packaging chosen with care. Gifts that respect the place they come from.

# The stories inside each gift

## Coffee, Tea & Cacao

**Coffee:** hand-picked and hand-roasted by a couple who have roasted at home for more than 20 years. Each small batch is crafted slowly, with care you can taste: rich, smooth, and full of warmth.

**Teas:** Despierta Té (Wake Up tea) blends black tea with warming spices, brightened by jasmine and bougainvillea. Para Dormir (Sleepy tea) combines chamomile, lavender, passionflower, spearmint, and valerian root: perfect for calm, restful evenings.

**Cacao:** Criollo beans from Teapa, Tabasco, one of the rarest and most prized cacao varieties in the world. Low acidity, low bitterness, delicate citrus notes. Shade-grown in traditional agroforestry plots without synthetic chemicals, then blended with allspice and chile piquín for warmth, or with adaptogenic mushrooms for balance.

## Jams, Honey & Salsas

A taste of Mexico, handmade in small batches from local farms and abuela's recipes. Our honey is a collaboration with a local vet who rescues bees from urban environments by relocating them to her ranch.

*Mayan Cacao*

*Taste of Vallarta, gift-ready*

## Meet Our Artisans 1 OF 3

**Ara** crafts natural products that blend wellness, spirituality, and intention: ritual aromatherapy and personal care made with pure oils, often paired with affirmations and rituals. Her philosophy mirrors ours: everyday routines turned into meaningful, nourishing rituals that uplift body and soul.

**Thomas and Yolanda.** In 1993, Thomas stumbled upon a 5-kilo coffee roaster that would change his life. It brewed more than coffee; it sparked a lifetime of love and adventure with Yolanda, whom he met while she worked for an airline. Thirty years on, they roast exceptional coffee at home for locals and the many visitors of Vallarta. With every sip, you are sharing in a love story that has been brewing for decades.

**Eduardo,** born in Mexico City, grew a love for jams and sauces rooted in his family's culinary traditions. A hobby became a full-time artisanal pursuit in Puerto Vallarta, with the support of his partner Emmanuel. Using traditional Mexican recipes and the freshest local ingredients, Eduardo handcrafts each batch of preserves, supporting local farmers along the way. His dream: to make his creations symbols of Vallarta's vibrant food scene.

## Meet Our Artisans 2 OF 3

**Talit**, a veterinarian with a passion for bees, is the heart behind our honey. She rescues and relocates colonies from unsafe urban areas around Bahía de Banderas: schools, homes, and public buildings where these vital pollinators are at risk. She also works with remote farmers in Jalisco, helping them care for their bees and reach new markets. Every jar protects these essential creatures and the countless crops they pollinate.

**Yaneli** blends her passion for herbal medicine with botany specialists to create science-backed infusions. Each blend has a purpose, from easing anxiety to improving sleep, using mint, lavender, chamomile, and other therapeutic herbs harvested outside Morelia, Michoacán.

**Orlando** and his partner Christian began crafting cleansing bars during the pandemic as a way to find balance and creativity. Orlando trained in professional bar-making; Christian's healthcare background keeps the focus on skin health. Their dream is to share their handcrafted, premium cleansing bars with all of Mexico.

**Jacky**, an artisan and engineer from Puerto Vallarta, discovered flower preservation during a botany class in her environmental engineering studies. She encapsulates petals in mid-bloom, as if frozen in time. Her favorite piece is the ethereal orchid: a symbol of life's small pleasures and beauty.

## Meet Our Artisans 3 OF 3

**Morgan**, originally from Kingston, Ontario and long at home in Puerto Vallarta, hand-weaves each pair of earrings from soft cotton cords and natural fibers: feather-light, colorful, and full of movement. For Morgan, creating is both therapy and art; every piece carries her intention to share joy, confidence, and calm.

**Eduardo (Cacao)**, alongside his wife Laura, founded Raíces Chocolatería, crafting small-batch cacao drinks from Criollo beans grown in Teapa, Tabasco, tended by producers like Miguel Ángel Moreno Fuentes. The plots are shade-grown agroforestry, mimicking the rainforest canopy and protecting soil and wildlife without synthetic chemicals. Inspired by Mayan heritage, their blends honor cacao as a divine elixir. Each sip is an invitation to pause, savor, and reconnect with joy.

**Luis**, an artist from Mexico City now based in Puerto Vallarta, casts his turtles in gypsum and resin and paints them dot by dot to embody fortune, longevity, and wisdom. Each turtle is a meditative act of care: positive energy and a reminder of life's quiet strength.

**Miren** creates body care rooted in ancestral plant wisdom and modern herbalism. Her Everywhere Body Butter is more than skincare: a ritual of nourishment and pause, guided by purity of ingredients and sustainability, honoring the land and life's petit joys.
